

# **CUC NORTH WEST**

**Strategic Plan 2023 - 2026** 

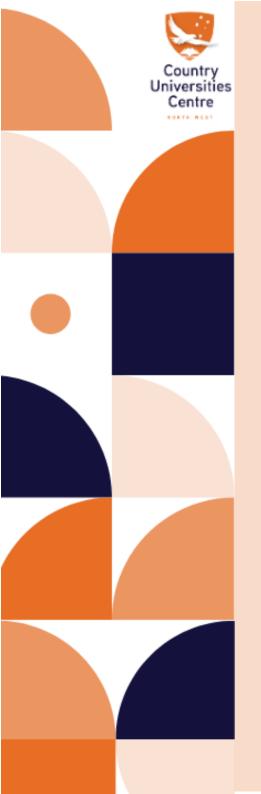

To create opportunities
through higher education for
individuals to reach their
aspirations, while building
regional development to
support a valuable, vibrant,
diverse, and prosperous
North West

#### **OUR VISION**

To raise aspirations and access to quality higher education opportunities and pathways for lifelong learning to advantage our North West communities.

### **OUR MISSION**

### **Our Four Pillars**

1

We will utilise best practice approaches to maintain and strengthen our business model. Our Board will maintain a clear governance structure and provide a strong framework.

**GOOD GOVERNANCE** 

3

We will assist our local community members to engage with education and gain the skills and knowledge enabling success.

**ENGAGED STUDENTS** 

2

We will build a vibrant and inclusive learning community delivering quality support enabling community members opportunities to study, learn, and grow.

**GREAT CULTURE** 

4

We will make connections and build robust partnerships to develop and support relationships with education providers, our local community, and other stakeholders.

**STRONG PARTNERSHIPS** 

We will utilise best practice approaches to maintain and strengthen our business model. Our Board will maintain a clear governance structure and provide a strong framework.

**GOOD GOVERNANCE** 

#### **OUR BOARD**

- Recruit passionate, motivated, and invested community members to the Board of Directors to achieve our goals and vision.
- Ensure the Constitution, policies, and processes adhere to legislative and legal requirements.
- Set and responsibly adjust strategy, risk management, and provide clear direction.
- Pursue ongoing Government and alternative funding sources.

The Board conducts its financial, operational, and governance responsibilities to a high standard.

#### OUR DATA

- Support data collection to facilitate sustainability and future growth.
- Utilise data to make strategic, evidence-based operational decisions.
- Explore new opportunities for data collection and analysis.

CUC North West conducts evidence-based decision making.

We will build a vibrant and inclusive learning community delivering quality support enabling community members opportunities to study, learn, and grow.

**GREAT CULTURE** 

### OUR PEOPLE

- Source and retain quality support personnel as centre piece of culture (paid and volunteer).
- Support a continuous culture of professional development to flexibly meet the CUCNW.
- Develop and maintain appropriate structures to support the wellbeing of our people.
- Develop and maintain personal connections (internal and external) to encourage the interconnectedness of all CUCNW participants.

Leading and operating a successful CUC North West.

#### **OUR SYSTEMS**

- Ensure facilities are fit for purpose, well equipped and resourced to deliver support to CUCNW participants.
- Embrace a culture that develops, nurtures and supports individual progression.
- Provision of a safe and welcoming place that encourages usage to people from various background and experiences.
- Evolving medium to long-term plans for potential future expansion to suit community needs.

Provide support and facilities to operate a successful CUC North West.
