

STUDENT STORY

Grace Lynch

Qualification:

Bachelor of Arts and Bachelor of Education (Primary)

Why did you choose your degree and what do you enjoy the most about it?

Teaching has always been a passion of mine. My mother is a teacher which gave me the aspirations to be one too. I used to love playing "Teachers" in mum's classroom at school.

What has been your learning journey to date?

I started a Bachelor of Arts and Bachelor of Education (Primary) in 2022-2023 at Macquarie University living and studying on campus. I moved home to Bathurst at the end of 2023. In April 2024, I moved to Moree as an infrequent studying student and have loved every moment since.

How important is having the CUC in your local town to you and why?

CUC Moree is very important to me. It is such an inviting, resourceful space with many facilities for everyone. I visit CUC one to three times a week and always walk out feeling very productive and stress free. CUC Staff are always very supportive and encouraging with my studies.

"Thank God for CUC! Shayne, you are always so helpful in my life!"
